bridge "Notes" from Patty

While we are isolating at home it's a good time to learn a new song. In times when I start to feel anxious or worried, I've found I can quickly reset my mind back to God with a song of praise. I have always loved this song. It's not new and you may have heard it on Christian radio.

I believe that we will get together again and when we do we need to sing every uplifting song of praise we can. Please learn this one. My sister just bought my mother an "Alexa". If you have one in your house just say "Alexa: play *"How Can I Keep From Singing"* by Chris Tomlin. If Alexa doesn't live at your house just click on the link below and sing along! Be blessed and keep singing.

Cherish Children

During this time, it is important to stay connected to each other and to God. Because we are unable to connect in person, the Children and Families Ministry team will do our best to keep up our "normal" Sunday morning routine of having a "lesson" with activities and crafts that go along with Dr. Doug's sermons. Families, please check your email for activities, lesson ideas, and other resources from Elizabeth Murray. Please email Elizabeth at efmurray1975@gmail.com if you are not getting the resources and would like to.

Serve Our Community

The needs of our community are changing because of the corona virus pandemic. Mary Campbell, who organizes the ladies who make mats for homeless, will also be making face masks.

They will need - tight woven cotton fabric like sheets, curtains that are not sheer, and tee shirts

- any width elastic
- buttons the size of a nickel and up, with two or four holes
- vacuum bags
- large paper clips
- shop towels

And, volunteers to sew, cut fabric or thread elastic through a fabric tunnel. Email Mary at carlislecampbell@gmail.com if you would like to help.

On Friday, April 17 from 9:00 to 10:00a.m., Mary will have a bin in front of our Church.

If you have these items, please donate them. Your safety is most important, and we are not encouraging anyone to make extra shopping trips for mission projects. Please practice social distancing.

Hope Harbor Home provides emergency shelter, confidential counseling, court advocacy and support groups that help victims of domestic abuse. They are in need of full size shampoo conditioners, cleaning supplies such as Fabuloso and disinfectants, non-perishable food items for adults and children.

We will be collecting Thursday, April 23, in front of the Church from 9:00 -10:00a.m.

Participation is voluntary and if The Spirit moves you.
Please don't feel the need to make extra shopping trips to support our mission projects.
